

**If You Wear a Watch In a Factory or Shop**

you should have a Jas. Boss Stiffened Gold Case in order to protect the works and lessen the cost of repairs. The Boss Case is made of two layers of solid gold with a layer of stiffening metal between. It is better than a solid gold case because it is stronger and so close-fitting as to keep out gas, smoke, dust and dampness.

**JAS. BOSS** STIFFENED GOLD  
**Watch Cases**

are recognized as the standard the world over, and are used by all jewellers. The Boss is the only stiffened case in use long enough to prove by actual wear that their gold will outlast the other guarantees. There is nothing else as good. The Boss watches have been shown in every show case and have won the highest praise. Write us for booklets.

## BLEW Smoke of Their Cigarettes

Straight Toward Kansas  
Carrie.

Yale Boys Nearly Shocked the  
Smasher.

New Haven, Oct. 7.—After snatching a cigarette from the unsuspecting lips of Secretary Julia of Mayor Studley's official staff, and sweeping up Chapel street with many an angry glance at the saloons that lighted her way, Mrs. Carrie Nation stormed the Yale campus the other night.

"The Mayor says I can have the freedom of the city if I do no smashing," announced Mrs. Nation, mounting the steps of Osborn Hall.

In a twinkling the word went round. Five minutes later 1000 students massed about the Kansas cyclone. Everybody was smoking.

"Cigarettes are an abomination," cried Mrs. Nation.

"Brek-ek-ek-ek, coak, coak, brek-ek-ek-ek, coak, coak. Whoa up, whoa up, parablou, Yale," came back in the resounding chorus while 1000 cigarettes were lighted simultaneously.

"Young man, would your sweetheart let you kiss her after smoking that thing?" cried Mrs. Nation to the nearest freshman.

"Dear boys," she began, "I am not."

"Oh, Carrie," yelled the mob.

"The Whiskey Trust is described in the Bible as a covenant with hell. I believe that."

Just then the Yale Glee Club began:

Good morning, Carrie, how are you this morning?

Were you dreaming of me, my pretty babe?

"Dear boys, I've been in jail and I've—"

Just then a dog, trained to howl, was trotted out and did his best. Mrs. Nation waited patiently.

"The rum devil is the"—

But the students broke out:

Good-by, booze, forevermore.

My drinking days will soon be o'er—

I've had a good time and that's no lie.

But look what liquor has done for me.

So good-by, booze, forevermore.

"I'm amazed at the sentiment of such songs; really in all my life!"

But then came:

Give us a drink, bartender,

For we love it, as you know—

And surely you will oblige us,

With a little drop or so.

"The saloon," shouted Mrs. Nation, "has been after those singers. It'll get 'em if they don't watch out."

But the answer was:

Show me the way to go home, Carrie.

Show me the way to go home,

For I've been drunk for the last six months.

Show me the way to go home.

"You're on the road to —," screamed Mrs. Nation.

"Oh, fudge, Carrie," yelled the Yale men.

I'm a Sunday school scholar, ha, ha!

I have never had a cigar;

Of smoking or drinking I've never been thinking;

So down with king alcohol.

So down with king alcohol.

She couldn't finish. New drinking songs topped off every one of her periods against the drink demon. Finally she started back to the New Haven house, preceded by a flying wedge.

She snatched every cigarette she could get at.

"Take that nasty thing out of your mouth," she cried to Burnside Winslow, captain of the Yale nine, plucking the cigarette.

"What would your sweetheart say?"

Later, Mrs. Nation visited the campus and made several speeches.

## Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous membrane of the Eustachian tube. This inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free.

## The Worst Form.

Multitudes are singing the praises of Kodol, the new discovery which is making so many sick people well and weak people strong by digesting what they eat, by cleansing and sweetening the stomach and by transforming their food into the kind of pure, rich, red blood that makes you feel good all over. Mrs. Cranfill, of Troy, L. T., writes: For a number of years I was troubled with indigestion and dyspepsia which grew into the worst form. Finally I was induced to use Kodol and after using four bottles I am entirely cured. I heartily recommend Kodol to all sufferers from indigestion and dyspepsia. Take a dose after meals. It digests what you eat.

## His Life In Peril.

"I just seemed to have gone all to pieces," writes Alfred Bee, of Welfare, Tex., "biliousness and a lame back had made life a burden. I couldn't eat or sleep and felt almost too worn out to work when I began to use Electric Bitters, but they worked wonders. Now I sleep like a top, can eat anything, have gained in strength and enjoy hard work." They give vigorous health and new life to weak, sickly, run-down people. Try them. Only 50c at C. B. Harper & Co.'s drug store.

## Never Ask Advice.

When you have a cough or cold don't ask what is good for it and get some medicine with little or no merit and perhaps dangerous. Ask for Foley's Honey and Tar, the greatest throat and lung remedy, it cures coughs and colds quickly.

J. M. Laffer, A. Warner, J. Lamparter & Co.

## Spent More Than \$1,000

W. W. Baker, of Plainville, Neb., writes: "My wife suffered from lung trouble for 15 years. She tried a number of doctors and spent over \$1,000 without relief. She became very low and lost all hope. A friend recommended Foley's Honey and Tar and thanks to this great remedy it saved her life. She enjoys better health than she has known in ten years." Refuse substitutes.

"The fastest selling article I have in my store," writes druggist O. T. Smith, of Davis, Ky., "is Dr. King's New Discovery for Consumption, Coughs and Colds, because it always cures. Mothers rely on it, best physicians prescribe it and C. B. Harper & Co. guarantee satisfaction or refund price. Trial bottles free. Regular sizes, 50c and \$1.

## Ran a Ten Penny Nail Through His Hand.

While opening a box, J. C. Mount, of Three Mile Bay, N. Y., ran a ten-penny nail through the fleshy part of his hand. "I thought at once of all the pain and soreness this would cause me," he says, "and immediately applied Chamberlain's Pain Balm and occasionally afterwards. To my surprise it removed all pain and soreness and the injured parts were soon healed." For sale by all druggists.

Ira D. Reckard, Dundcombe, Ia., writes: "My little boy scalded his leg from the knee to the ankle. I used Chamberlain's Pain Balm, and in three weeks' time it was almost entirely healed. I want to recommend it to every family, and advise them to keep Chamberlain's Pain Balm on hand as it is a sure remedy for colds or any other sore."

## He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for this same reason that you are told again and again that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. For sale by all druggists.

## An Extra Session of Congress.

Bryan Would Have Five  
Laws Passed.

He Commends Roosevelt For  
Course He Has Taken.

Lincoln, Neb., Oct. 7.—W. J. Bryan urges President Roosevelt to call an extra session of Congress to deal with the coal miners' strike, and suggests five measures which he should recommend for passage. They are:

First—A law establishing a national board of arbitration, consisting of three or five members, to consider and report on all controversies between corporations engaged in interstate commerce and their employees. The law should compel the board to act whenever either party to the controversy demanded it.

Second—A law abolishing government by injunction.

Third—A law that will discriminate between the natural man created by the Almighty and the corporate giant created by legislation.

Fourth—A law taking the tariff off of coal. It has been generally supposed that anthracite coal was on the free list, but most of the anthracite which comes into competition with our anthracite is of so low a grade that it is taxed under our tariff laws.

Fifth—A law which will prevent railroads engaged in interstate commerce from operating coal mines except for the purpose of supplying fuel for their own engines.

Mr. Bryan says the President understands that his political future depends largely upon the stand he takes in this great contest between greed and human rights, but if he is a brave man he will take the people's side and risk

## REAL ENJOYMENT.

The woman who reads this will understand to the full what Mrs. Tipton meant when she says: "I am enjoying good health." It takes a person who has been made weak by sickness to understand the joy of health.

There are very many women who suffer as did Mrs. Tipton, who might be cured, as using Dr. Pierce's medicine and was by the use of Dr. Pierce's Favorite Prescription.

It establishes regularity, drives the toxins which weaken women, heals inflammation and ulceration, and cures female weakness. It makes weak women strong, sick women well.

At 15 with pleasure I recommend Dr. Pierce's medicine. I was a sufferer from Cropper (Cropper Station), Shelby Co., Kentucky. "You remember my case was one of female weakness and weak lungs. I had no appetite and would often spit blood; I was confined to my bed almost half of the time and could hardly stand on my feet at times for the pains through my whole body and system. My husband had to pay large doctor bills for me, but since I have taken four bottles of Dr. Pierce's Golden Medical Discovery, four of Dr. Pierce's Favorite Prescription, and three of Dr. Pierce's Pellets, we haven't paid any more doctor bills. It had been seven months since I stopped using Dr. Pierce's medicine and I have been enjoying good health all the time. I can never praise these medicines too highly. For I have received so much benefit. I pray that many who suffer as I did will take Dr. Pierce's medicine. I am sure they will never fail to cure when given a fair trial. Everybody tells me I look better than I ever saw me. I am sure I feel better than I ever did before."

"Favorite Prescription" has the testimony of thousands of women to its complete cure of womanly diseases. Do not accept an unknown and unproved substitute in its place.

Dr. Pierce's Pleasant Pellets are a laxative. No other medicine equals them for gentleness and thoroughness.
